Subject: M6H1 – Harvey Response RE: Other Imagery
Date: Friday, September 1, 2017 9:52:22 AM

Yes.

Also, here is the one NOAA NGS has created for the response (has Houston Area Aerials from Yesterday):

Will you provide us a list of all the image services you have created and where they are located?

There was more SPOT imagery acquired yesterday, I will create a service for it in HDDS and send it sometime this afternoon or late morning Dallas time. Also, NOAA acquired multiple aerial images in the Houston area, they should be available by the NOAA NGS

Service I have already provided.
